11:30	LUNCH			
12:30	Products and Services Announcements by Vendors: No endorsement nor recommendation of any particular company or product by EPA or State Agencies is implied! (approx. 5-10 minutes each - depending on number of Vendors participating)			

WEDNESDAY	TECHNICAL BREAKOUT SESSIONS				
	Time	Plenary Sessions	Track 1- Riverside II Moderator: TBA	Track 2- Riverside III Moderator: Catherine Elliott, HCFC	Track 3- Fulton Moderator: Terry Branch, EPA
			<u>Illicit Discharge Detection and Elimination Workshop</u>	<u>Monitoring Programs</u>	<u>Public Education and Involvement Workshop cont.</u>
	1:30		Illicit Discharge Detection and Elimination: Introduction and Lessons Learned from Phase I: Jennifer Zielinski, Center for Watershed Protection	Biological Indicators - Gary Shockley, Oklahoma City	Case Studies: Melissa DeSantis, Tetra Tech & Andrea Bourgeois-Calvin, Lake Pontchartrain Basin Foundation  What It Takes to Change Behavior: Melissa DeSantis, Tetra Tech
	2:00			Aerial Infrared Surveys for Illicit Discharge Detection: Tom Mayfield, Mayfield Thermography Consulting Services	
	2:30		Programmatic Considerations for IDDE: Jennifer Zielinski, Center for Watershed Protection	Storm Water Quality Modeling: Nancy Beward, San Antonio & Dr. Yu-Chun Su, PBS&J	
	3:00		IDDE Case Study: Francis Verhalen, City of Dallas		
	3:30	BREAK			

WEDNESDAY	Time	Plenary Sessions	Track 1- Riverside II Moderator: TBA	Track 2- Riverside III Moderator: Catherine Elliott, HCFC D	Track 3- Fulton Moderator: Terry Branch, EPA
			<u>Illicit Discharge Detection and Elimination Workshop cont.</u>	<u>Developing Your SWMP</u>	<u>Public Education and Involvement Workshop cont.</u>
	3:45		Field and Laboratory Assessment Protocols Jennifer Zielinski, Center for Watershed Protection	Storm Water Management Program Strategies for Small MS4s - Sol Stigall, Teague Nall and Perkins, Inc	The Good, The Bad, The Ugly (developing good outreach materials): Melissa DeSantis, Tetra Tech
	4:45		Outfall Reconnaissance Exercise Jennifer Zielinski, Center for Watershed Protection	SWiM Buddies	SWiM Buddies
			SWiM Buddies		
	5:30	ADJOURN FOR DAY			

THURSDAY, JULY 8, 2004		
THURSDAY	Time	<b>FIELD TRIP - JEFFERSON PARISH/NEW ORLEANS</b>
	8:30	
	12:00	<b>LUNCH</b>

THURSDAY	Time	Plenary Sessions	Track 1- Riverside II Moderator: TBA	Track 2- Riverside III Moderator: Mike Jones, Waco	Track 3- Riverside I Moderator: TBA
			<b><u>Post Construction Runoff Controls Workshop</u></b>	<b><u>Compliance Assistance and Enforcement</u></b>	<b><u>Managing Storm Water, Technical Topics</u></b>
	1:00		Post Construction Runoff Controls: Requirements and Basic Program Elements: Jim Collins, Tetra Tech	"Storm Water Compliance for Construction activity": Phillip Handley, SAWS	Current and Evolving Structural BMPs: Phyl Kimball, Stormwater Market Manager UltraTech International, Inc.
	1:30				Water Quality Characteristics of Urban Storm Water in East Baton Rouge Parish: Dennis Demcheck, USGS
			iSWM – integrated Storm Water Management for North Central Texas: Kenny Calhoun, NCTCOG		
	2:00		iSWM (continued)	Building an Enforcement Case: Dwight Bradshaw, LDEQ	"Implementing a Phase II Stormwater Program: Status and Goals.": Boyd Boswell & Bess Foret, Lafayette City-Parish
			Mosquitoes and Storm Water Controls – A problem?: Gene Rattan, Tarrant County Texas		
	2:30			"Cooperative Education Training for Your Regulated Community": Martin Miller, SAWS	"A New Approach for Tracking Storm Water Complaints and Projects through the Web": Jeff Albee, AMEC
			Sample New Development Requirements for Water Quality Control: Jim Collins, Tetra Tech		
	3:00			Overview of the LDEQ Small Business Assistance Program - Wally Bounds, LDEQ	Construction: How NOT to Do It: Dr. Rodney Hendrick, LSU Ag. Dept.
	3:30	BREAK			
	4:00		Post-construction BMP Maintenance and Inspection Programs: Jim Collins, Tetra Tech	SWiM Buddies	Developing Measurable Goals w/ interactive group exercise: EPA
	4:30				SWiM Buddies
	5:00	PLENARY SESSION: Conference Critique and Planning for Next Year’s Conference, General Q&A- Riverside I			
5:30	ADJOURN FOR DAY				
6:00	Networking Social				

**FRIDAY, JULY 9, 2004**

FRIDAY	<b>Time</b>	<b>Plenary Sessions - Riverside II</b>
		<b><u>Special Topics</u></b>
	8:30	TMDLs in Louisiana: Emelise Cormier, LDEQ
	9:00	TMDLs and Storm Water Permits: Brent Larsen, EPA
	9:30	Watershed Permitting: Troy Hill, EPA
	10:00	<b>BREAK</b>
	10:30	Final Questions & Answers, Closing
	12:00	<b>ADJOURN</b>
